

AGENDA NO: 7.a  
MEETING DATE: August 20, 2025

# Staff Report

**TO:** Public Works Advisory Board **DATE:** August 14, 2025  
**FROM:** Greg Kwolek – Public Works Director  
**SUBJECT:** Fiscal Year 2025 Quarter 4 Water Reclamation Facility (WRF) Program Quarterly Report

## **RECOMMENDED ACTION**

Receive and file the Fiscal Year (FY) 2025 Quarter 4 Report for the Water Reclamation Facility (WRF) Program.

## **DISCUSSION**

The purpose of the WRF Program Quarterly report is to provide project status updates on schedule, budget, key activities, and critical path items as they relate to the WRF program. The Recycled Water Facilities (RWF) project is a portion of the larger WRF Program. The RWF project is anticipated to be completed by Fall 2026. The FY 2025 Quarter 4 Report includes information on project activities between April 1, 2025, and June 30, 2025.
